PETITION TO UKIAH CITY COUNCIL

Title of Issue: Freeing Ukiah from Flock and other invasive surveillance

Action Requested:

1. Do not renew the City's contract with Flock Safety or negotiate any new contracts for Automated License Plate Reader cameras and cause all such cameras currently installed in Ukiah to be uninstalled.
2. Resolve not to install or make contracts with any surveillance companies that create automated searchable databases. Companies including but not limited to Flock, Ring, Deep Sentinel, Rhombus Systems, Coram AI, Eagle Eye Networks, Rekor, or Verkanda.
3. Resolve to respect the privacy of Ukiah residents by refusing to catalogue them into searchable databases via any form of automated surveillance infrastructure.
